Dear Sir:

In response to the Office Action dated October 28, 2004, in connection with the above-identified application, please enter and consider the following remarks.

**REMARKS**

The applicants have studied the Election/Restriction Requirement dated October 28, 2004. Claims 1-33 are in the case. The Examiner has required restriction to one of the following four groups of the claimed invention:

- Species A. Claims 1-4 and 16-17, directed to program a device.
- Species B. Claims 5-15, related to a method of training a device.
- Species C. Claims 18-22, directed to managing a device.
- Species D. Claims 28-33, directed to information exchange with multiple processors over a network.

In response to the Examiner's election requirement, the applicants hereby provisionally elect claims 5-15 (Species B), related to a method of training a device.

Applicants reserve the right to file a divisional application directed to non-elected claims.

In view of the foregoing, it is respectfully submitted that the application and the claims, as amended, are in condition for reconsideration on merits. Examination of the
